INVITATION

Dear Colleagues and Friends,

On behalf of the Organizing Committee, I welcome you all to participate in the Korea International Gastric Cancer Week 2016 (KINGCA Week 2016), which will be held from April 21-23, in Seoul, Korea.

Since becoming an international event in 2014, KINGCA Week has developed into one of the best opportunities to learn about Gastric Cancer, from basic research to state-of-the-art therapies. In addition, I am pleased to announce that next year, KINGCA Week 2016 will be held in conjunction with the 6th Asia-Pacific Gastroesophageal Cancer Congress (6th APGCC).

Under the theme of "Asia, Let's go together!" KINGCA Week 2016 & 6th APGCC will feature distinguished speakers and leading institutions who will present their latest findings on on-going and completed clinical trials. A stimulating scientific program, coupled with a complete array of networking opportunities, will provide the best platform for exchanging knowledge and encouraging partnerships among gastric cancer and gastroesophageal cancer specialists from around the world. We will also provide an on-site visit program for participants to gain access to leading hospitals for a week or two.

I truly believe that KINGCA Week 2016 & 6th APGCC will be another highly rewarding international event in Asia which will bring enhancement of the scientific level and generate further collaboration among experts in the field of gastric cancer.

Again, I welcome you all and hope you enjoy KINGCA Week 2016 & 6th APGCC in Seoul, Korea.

With Best Wishes,

Han-Kwang Yang

Chairman, KINGCA Week 2016 & 6th APGCC Organizing Committee
Chairman of the Board of Directors, KGCA

Seung-Man Park

President,
The Korean Gastric Cancer Association
